Oracle Corporation

Dear mosauto,

Please click on the following link to verify your account. This link is valid for 5 days.

[Account Verification Link](#)Your Oracle Username: mosauto20140201_072711@sleepycat.com

Why email verification?

- Protects your identity.
- Allows access to Oracle applications and web sites that require verification.

Account Verification Link does not work?

If you are unable to click on the link above, you can complete your email address verification by copying and pasting the following URL into your browser:

[<https://myprofile-mktas.oracle.com/EndUserfaces/profiles/verifyAccount.jsp?>

key=9B4A9E44D626236C3666A239318D4E22420B887512FB66E4D2A98017F6068B451CECA03514E2AC9A7D0264BD2C8F54F44CCDD97DAE8081EC40B8D58D53D7A6762F42BA15FF44B7424802D86F11C38DA8nextURL=hit.support.us.oracle.com]

Need to generate another verification email?

- 1) [Login](#) to your account.
- 2) Click the "Please Verify Account" or "Reverify Account" link.

Thank you,
The Oracle Account Team

Log in to OPS

Oracle Partner Store

Partner Membership, Deal Registration and Ordering

The Oracle Partner Store (OPS) provides you with tools to manage your business sufficiently and effectively.

Complete Required Company Registration Form

- ✓ Click 'Begin Application'
- ✓ Complete Company Information
- ✓ The company name and the address should default from user MyProfile but can be edited.

OPN Home > Join the Oracle PartnerNetwork Program

Join the Oracle PartnerNetwork Program

Completing the OPN Membership Application will allow your company access to:

- Oracle Partner Network
- Oracle Partner Store

Who should Join

If you will be your company's Partner Administrator you will have the ability to accept OPN Membership Agreements for your company, manage OPN Memberships, and grant access to your company's users. Up to five Partner Administrators may be designated for one company. Begin your application now. You can save your work at any time and complete it later.

Choose Partner Level and Membership Type

Your company will be registered with a level and type designation that best suits your beginning relationship with Oracle. You can change your partner level or membership type any time. [Learn About Partner Levels and Membership Types](#)

Partner levels offer increasing levels of marketplace recognition and Oracle benefits.

Complete Required Company Registration Form

- ✓ Select OPN Knowledge Zones (Optional)
- ✓ Click 'I accept the Terms and Conditions' (this is OPS Terms & Conditions)
- ✓ Click 'Next' to continue to membership level questions.

OPN Knowledge Zones (Optional)

You may optionally select areas in which you have specific knowledge. Expand the regions below by clicking on the arrow, then select the checkboxes that apply.

- > Applications
- > Database
- > Industry
- > Middleware
- > Servers and Storage
- > Cloud Services
- > Engineered Systems

I accept the [Terms and Conditions](#)

< Back Save **Next >**

The screenshot shows a registration form with a list of knowledge zones. A mouse cursor is over the 'Database' category. At the bottom right, there is a checkbox for 'I accept the Terms and Conditions' and three buttons: '< Back', 'Save', and 'Next >'. Red arrows point to the checkbox and the 'Next >' button.

Save & Continue Application

- ✓ Click 'Save' – if user doesn't have required information to complete required Company Registration fields, the user can click 'save' and come back later to complete.
- ✓ Click 'Continue Application' - Once the user logs in to OPS again, the system will present user option to 'continue application' or 'delete application.' The user also has the ability to save throughout the Net New Level Enrollment questionnaire

OPN Knowledge Zones (Optional)

You may optionally select areas in which you have specific knowledge. Expand the regions below by clicking on the arrow, then select the checkboxes that apply.

Oracle Partner Store

Partner Membership, Deal Registration and Ordering

Complete the Oracle PartnerNetwork Membership Application

Access to the Oracle Partner Store is for approved Oracle Partners only.

You have started an application for your company to become a partner, but have not yet completed and submitted it. You can begin where you left off. If you would like help at any time, contact the Partner Business Center.

Continue the Application Delete the Application

View Partner Profile

- ✓ Continue to the Company Information page – See Membership Level Enrollment Training steps for more details

OPN Home

Company Registration | **Company Information** | Questionnaire | Agreements | Payment | Review

Partner Level

Choose the partner level that begins your membership with Oracle. You can change your partner level at any time.

Select	Partner Level	Fee* 1 year membership
<input type="checkbox"/>	Diamond Level The highest level within OPN Specialized, recognizing depth of expertise, breadth of portfolio, global capacity and overall investment with Oracle. Learn about Diamond Level	US\$9,995.00
<input type="checkbox"/>	Platinum Level Showcasing partners who have differentiated themselves with a breadth more than 5 specializations. Learn about Platinum Level	US\$9,995.00
<input checked="" type="checkbox"/>	Gold Level Open up your business to full Oracle product portfolio and use Enablement 2.0 tools to reach Specializations. Learn about Gold Level	US\$2,995.00
<input type="checkbox"/>	Silver Level Expand your skills and utilize support, sales and marketing tools to develop your Oracle business. Learn about Silver Level	US\$500.00

* Fees shown are for Standard or Worldwide Partner membership. Associate membership, for any company associated with a Worldwide Partner, usually pays a lower fee than those shown, as described in [OPN Policies](#). You will be asked to select your partnership type as you apply. The correct fee for your membership is displayed in checkout.

Membership Type

What type of membership fits your company? You can change your membership type at any time.

- Standard** Your company does not have a presence in other countries.
- Worldwide** Your company has subsidiaries in one or more countries and you want those subsidiaries to join the Oracle PartnerNetwork (OPN) under your OPN agreement. Your company headquarters location is required to select and sign a Worldwide OPN Agreement.
- Associate** Your company is a subsidiary of an existing partner with a Worldwide OPN agreement. Your membership will be associated to your parent company and will be subject to the terms and conditions of your Worldwide OPN agreement.
